Staff and students have returned refreshed and ready for Term Two. Students will now have a clear idea of their course requirements, and for those who are working towards NCEA they should also have a clear idea as to when critical assessments are due. Effective time management becomes very important during this term as the balance between part-time jobs, winter sports, cultural activities and schoolwork is formulated. Our advice is for students to formally prioritise their commitments, with top priority given to academic obligations.

During the holidays we had 31 senior students touring through Vietnam exploring the diverse aspects of Vietnamese history. The feedback I have received has been extremely positive and by all accounts the trip was a rewarding and enjoyable experience.

Saturday marks the start of the winter sports season for a large number of our students. I wish all Taieri College teams good luck for their seasons. I ask everybody to be competitive, respect opposition and officials, and be proud to represent our college.

Sport Report

The next couple of weeks have a lot happening with our winter sports getting in to action. During this week we had the start of our girls' rugby with both senior and junior teams having good wins. It should be a good season ahead. This weekend we have the start of our Year 7 and 8 netball at Taieri Plain's Junior Netball. We have many girls involved in this and thank you to all the coaches and managers who have put their hands up to help out. We have a few sports kicking off next week which include our hockey, football and A Grade basketball teams. Ben Baines, one of our awesome para athletes at Taieri College was in Australia competing and doing really well with pleasing results. If there are any students who are keen to play any winter sports please go to the Sports Office and sign up sooner rather than later please. There are a lot of sports out there to play so get out there and give it a go. Sports hoodies are also here to pick up if you haven't already. Good luck to all winter sports teams for this season.

Student Work Day Years 9-13/ Teacher Only Day Years 7-8 Thursday 23 May 2019

On Thursday 23 May 2019 all Year 9 –13 students will be involved in the Student Work Day, for the student council, and will therefore not be at school. Funds raised by the students during Work Day are collected by the student council and used for the benefit of the student body e.g. purchasing picnic tables, installing water fountains and helping fund sports and cultural trips for students.

Work Day has also provided an opportunity for the whole teaching staff to have a Teacher Only Day. As a result the school will not be open for instruction for our Year 7 and 8 students.

Therefore, on Thursday 23 May 2019 the school will be closed for instruction. It should also be noted that there will be no school buses running on Thursday 23 May 2019.

We appreciate your support as staff develop new skills for their teaching practice and Year 9 –13 students raise funds for their student council.
